STATINTL

Dear [REDACTED]

Thank you very much for your letter of 11 May 1951. I am sorry not to have replied to it sooner but I have been away for about a week or so on a trip out to Chicago and Cleveland and Akron and then I had to skip down to Philadelphia for a day.

During the week of May 21st I have to go up to New England for a few days but it may be possible for me to land in Washington the latter part of this week, perhaps Thursday or Friday. Just as soon as my travel plans are somewhat better crystallized, I shall get in touch with you and Mr. Wolf as you suggest, with the idea of pursuing further the interesting discussion we had in New York.

[REDACTED]
advise you the time at which I might be able to be in Washington to see you and Mr. Wolf. I am passing his name along to enable you to identify him when he calls.

Meantime, whatever happens I hope we shall be able to keep in touch with each other because I thoroughly enjoyed the very interesting visit and the discussion that you and I had at the University Club in New York.

With kindest personal regards, I remain

Yours sincerely,

STATINTL
